■ CERTIFICATIONS

INFOTECH COLLEGE OF ARTS AND TECHNOLOGY
Computer Literature and CSS
Passed October 2024

■ OBJECTIVE

Passionate and detail-oriented Full Stack Developer with expertise in HTML, CSS, JavaScript, and the MERN stack (MongoDB, Express.js, React, Node.js). Proficient in building dynamic, responsive web applications with React.js for front-end development and Node.js for scalable backend solutions. Skilled in MongoDB for database management and Tailwind CSS for modern UI design. Seeking a challenging role where I can leverage my technical skills to develop innovative solutions, enhance user experiences, and contribute to a dynamic development team.

■ WORK EXPERIENCE

- FREELANCE WEB DEVELOPER TUTOR
2024-PRESENT
